

A PLEDGE OF SOLIDARITY

*We who embrace democracy,
We who cherish freedom,
We who stand with Israel...
We have not forgotten you.*

**Remember Eldad, Gilad and Udi.
Remember Ron, Zachary, Tzvi and Yehuda.**

These Israeli POW's and MIA's have not been permitted visits by the International Red Cross or other humanitarian organizations, and have not had contact with the world since their capture.

Have Them In Your Prayers, Have Them In Your Heart

On Wednesday, July 12, 2006, **Ehud Goldwasser** and **Eldad Regev** were abducted and taken to Lebanon after Hezbollah crossed the Lebanese border and attacked their military patrol while launching a massive unprovoked rocket attack on Israeli civilian centers.

On Sunday, June 25, 2006, Hamas terrorists tunneled under the border fence at Kerem Shalom and attacked an Israeli border patrol. Since then **Gilad Shalit** has been held in the Gaza Strip.

Ron Arad was captured in Lebanon when his aircraft went down in 1986. As a human bargaining chip he was passed, bartered and sold between Amal, Hizbullah, and Iran.

Zachary Baumel, Tzvi Feldman and **Yehuda Katz** disappeared in 1982 after a tank battle in Lebanon's Syrian-controlled Bekaa Valley. Reportedly they were paraded in the streets of Damascus on the day of their capture.
